Get the large print!

By Tony fish

I purchased the Red Book 2017 with regular print and the print is very small. I had a heck of a time trying to find anything and had to run for my reading glasses every time I wanted to look something up. Do yourself a favor and get the large print edition. It is so much easier on the eyes. It has the same information and I love it.

This was a gift to my dad for fathers day. He loved it, and has used it to look up his collection. He said "finally something I can really use".
