## About the Author

William Pride (Ph.D., Louisiana State University) is a professor of marketing in the Mays Business School, Texas A&M University. In addition to this text, he is co-author of a market-leading Principles of Marketing text. Dr. Pride's research interests include advertising, promotion, and distribution channels, and his research articles have appeared in major professional journals, such as the JOURNAL OF MARKETING, the JOURNAL OF MARKETING RESEARCH, the JOURNAL OF THE ACADEMY OF MARKETING SCIENCE, and the JOURNAL OF ADVERTISING. Dr. Pride is a member of the American Marketing Association, Academy of Marketing Science, Society for Marketing Advances, and the Marketing Management Association. He has received the Marketing Fellow Award from the Society of Marketing Advances and the Marketing Innovation Award from the Marketing Management Association. Both of these are lifetime achievement awards.

Robert J. Hughes (PhD, University of North Texas) specializes in business administration and college instruction. He has taught Introduction to Business for more than 35 years both on campus and online for Richland College, one of seven campuses that is part of the Dallas County Community College District. In addition to BUSINESS and FOUNDATIONS OF BUSINESS, published by Cengage Learning, he has authored college textbooks in personal finance and business mathematics; served as a content consultant for two popular national television series, "It's Strictly Business" and "Dollars & Sense: Personal Finance for the 21st Century"; and is the lead author for a business math project utilizing computer-assisted instruction funded by the ALEKS Corporation. He also is active in many academic and professional organizations and has served as a consultant and investment adviser to individuals, businesses, and charitable organizations. Dr. Hughes is the recipient of three different Teaching in Excellence Awards at Richland College. According to Dr. Hughes, after 35 years of teaching Introduction to Business, the course is still exciting: "There's nothing quite like the thrill of seeing students succeed, especially in a course like Introduction to Business, which provides the foundation for not only academic courses, but also life in the real world."

Jack R. Kapoor (EdD, Northern Illinois University) is professor of business and economics in the Business and Technology Division at the College of DuPage, where he has taught Introduction to Business, Marketing, Management, Economics, and Personal Finance since 1969. He previously taught at Illinois Institute of Technology's Stuart School of Management, San Francisco State University's School of World

Business, and other colleges. Professor Kapoor was awarded the Business and Services Division's Outstanding Professor Award for 1999-2000. He served as an Assistant National Bank Examiner for the U.S. Treasury Department and as an international trade consultant to Bolting Manufacturing Co., Ltd., Mumbai, India. Dr. Kapoor is known internationally as a coauthor of several textbooks, including FOUNDATIONS OF BUSINESS, 4E (Cengage Learning); has served as a content consultant for the popular national television series "The Business File: An Introduction to Business"; and developed two full-length audio courses in business and personal finance. He has been quoted in many national newspapers and magazines, including USA Today, U.S. News & World Report, the Chicago Sun-Times, Crain's Small Business, the Chicago Tribune, and other publications. Dr. Kapoor has traveled around the world and has studied business practices in capitalist, socialist, and communist countries.

Business Will Get You Going!

By Sungaya Watson

I had to rent the latest 12 edition for my Intro to Business course, because it was very expensive to purchase. I wanted a copy for my home library and ended up purchasing the 11th edition, which I found to be structured the same as the 12th. This book is excellent, and if you are interested or belong in business in any capacity, I would recommend owning it as it covers everything from business types, organization, finance, marketing, and so much more in the business world. There are real world examples and great questions that those in business may come across and need for reference purposes. Excellent read!

Really good book, has a lot of cases that will ...

By Luis Trinidad

Really good book, has a lot of cases that will teach you about the real world of business. Real easy to read and learn from. I loved it, but it was lacking of something. They had questions that helped me for my tests and the information is up to date a useful. I would recommend if youre trying to learn about business.

I really love this business book it tells you how to start ...

By Candy baby

I really love this business book it tells you how to start a your, what to expect from the business and it also tells stories about successful businesses and they related to businesses and organization that are in operation today. I love it but one thing the chapters are too long but very interested.
