CARTER ARCHERY RELEASES, EVERYTHING YOU WANTED TO KNOW, AND THEN SOME. BY FORREST CARTER PDF

Jerry Carter has carved a niche into the world of Archery release aids. In this book Jerry's oldest son Forrest Carter shares the knowledge he has acquired during 17 years of working at Carter Enterprises. Forrest covers every facet of Carter Enterprises in this book. Forrest discusses the releases, shot execution, basic maintenance and troubleshooting, along with some family history and humor. Not just a technical manual, this book covers everything that you want to know, and so much more.

Thorough overview of the various Carter releases. Frankly it's ...

By HS

Thorough overview of the various Carter releases. Frankly it's info I'd expect to find on their website. I was hoping for a little more in depth detail about how to use their releases.

Does a really good job of explaining how the company came about

By Eric W

Does a really good job of explaining how the company came about, who they are and what they make. Love their releases by the way. The book also does a good job of giving an overview of the different types and models of releases made by Carter. Talks about fit, mechanisms, and types of adjustability. Very brief sections on how to use them properly. If you want to know about every type of Carter release, their strengths, purposes and adjustment, you will love the book. Mostly just a thorough re-presentation of their website's description of each release.

Five Stars

By Lonna McGrath

A thorough review of archery releases with bonus advice on techniques.
