COUNT ON ME (BAYVIEW HEIGHTS BOOK 3) BY KATHRYN SHAY PDF

NEW YORK TIMES bestselling author Kathryn Shay writes fascinating, realistic contemporary romances. Her specialty is troubled teenagers. A teacher in a public school for years, she knows kids and the men and women who teach them!

“With a cast of memorable characters interacting on a myriad of levels from friendship to love, Ms. Shay has penned a fascinating and emotionally gripping story.” RT Book Reviews

On her fortieth birthday, Zoe Caufield is expecting a marriage proposal but instead gets the news that Kurt Lansing, the love of her life, is going back to his ex-wife. Months later, Kurt returns to Bayview Heights. The reconciliation didn't work, and he broke Zoe's heart for nothing. But when he starts a clinic in town and Zoe's students will be working there for their community service requirement, she's once again drawn to him. Lack of trust, protesting friends, and especially the students who love her make their relationship impossible. Can anything bring these two people together? Emotional and heart-wrenching, the Bayview Heights series is a winner.

“Shay's heart-touching, sympathetic approach, powerful storytelling ability and depth of characterization of not only the main characters, but also the secondary characters, speak of first-hand knowledge of teens, challenges, and matters of the heart. Consequently, COUNT ON ME comes very highly recommended.” Word Weaving

Praise for COUNT ON ME:

“Ms. Shay doesn't disappoint with this one. I can't say enough about this author—pure perfection!” Old Book Barn Gazette

“COUNT ON ME is a powerful story not only about the restoration of love but also about the relationships between teachers and students. This story will open your eyes and your heart and I highly recommend it to you.” An Amazon Reader

If you like books about medical romance, teacher romances and teacher student relationships, be sure to read the rest of this high powered series, COP OF THE YEAR and BECAUSE IT'S CHRISTMAS.

Count on me....to cheat on you because I cannot resist my ex wife!

By lovestoread522

The H cheats on the h with his ex wife, decides to go back with her to finish raising their 17yr old daughter who was having issues. The wife is an alcoholic. After a year with the ex he finally leaves her and moves back to the town where the h lives, he opens up a clinic where her students have to do community service. He realizes he made a huge mistake, but he does ask the h why didn't she fight for him. Really? That's like asking her to fight for the used pooper scooper bag! What woman fights for a cheater? One week he's hinting at a marriage proposal, the next he doesn't know how he ended up in bed with his ex? As for his daughter's issues, try moving your daughter in with you instead of leaving her with her mother who obviously is not winning any awards for mother of the year. Counseling helps with troubled teens as well! He went back to the ex because he loved her, he had been with her since they were in their teens. He was weak as far as his wife is concerned, he needed to own that and live with it! At one point once the h took him back the ex shows up and the h's and H's friends do not leave him alone with her. Seriously? It was meant as a show of support, I took it as this man is sooo spineless he would walk out the door with her. So what if she's drunk, put her on the front steps and call her a taxi!

Weak characters

By Jamie

I agree completely with the reviewer who disliked Kurt. I too was appalled to read the part where he asks Zoe why she didn't fight for him. I also disliked how she came to agree with him. I found both of these characters weak and unsympathetic. Both were so absorbed in their own drama that they became ineffective at their jobs counselling teenagers.

I have enjoyed other books by this author (Promises To Keep, Ties That Bind, Just One Night - the last two involve heroes who cheat) so she can definitely write compelling stories with believable characters. This book however was very disappointing for me.

A powerful tale of trust -- very highly recommended

By C. Penn

Zoe Caulfield's unhappy fortieth birthday took months of recovery. She caught the man she loved -- the man who was about to declare his love and propose -- in his ex-wife's arms. Rather than protesting his innocence, his confession of unfaithfulness left Zoe devastated, especially when he stated his intentions to reconcile with Elizabeth, and move back home with her and their teen daughter.

It only took Kurt a month to recognize what a horrible mistake he had made. The very reasons that ended his marriage the first time almost immediately reemerged, but concern for his daughter led him to stay a year, until Lauren graduated from high school. After the first three months, his life became a living hell. After leaving Elizabeth, Kurt learns that the teen clinic in Bayview Heights has been approved, but only if he runs it. Not only is that a stipulation of the town council, but it is also a part of the stipulation of the federal grant that funds the clinic. So Kurt must move back to Bayview Heights -- a move that necessitates frequent interaction with the high school's health teacher.

Despite the depression, pain, and disappointment, Zoe got on with her life. She traveled, spent time with friends, enjoyed her job with her classes, teaching At Risk kids, as well as health classes. Although she still misses Kurt desperately, Zoe's learned to be happy without him. Only now he's suddenly back, part of her circle of friends, interaction professionally, and Zoe must cope with still loving him despite the pain he inflicted. Indeed, her love for her students leads to frequent interaction with Kurt, and leads to the question of whether she can learn to count on him again.

Katheryn Shay boldly presents a challenging theme in COUNT ON ME that I would ordinarily find untenable, simply because I have little patience for unfaithfulness. However, her heart-touching, sympathetic approach, gently working out both side's emotions kept me reading, and by the conclusion I realized that I indeed was rooting not only for the reconciliation, but also believed in the possibility of what I ordinarily

would consider impossible. To challenge my opinion and win my sympathy demonstrates Shay's powerful story-telling ability. Further, the depth of characterization of not only the main characters, but also the secondary characters, speaks of first-hand knowledge of teens, challenges, and matters of the heart. Consequently, COUNT ON ME comes very highly recommended.
