LOVE Greg Palmer's take on Death!

By Donalyn

I LOVE any thing by Greg Palmer. As a college professor, I've used his Death- The Trip of a Lifetime (4 parts) video for the past 14 years, and everyone loves it. What dry humor, wit, I wish I could've known him. Fascinating book and man.

Death From a Different Point of View

By TNTGOATS

This was an okay read for me, I found it to be a bit off the beaten path from what I thought it was going to be about. The author does his research though, and it does make for a decent read.
