FIX YOUR MAKEUP: #THREE LIKE A LADY SERIES BY S.J. SAWYER PDF

Fix Your Makeup is the third novella in the Like A Lady serial. It cannot be read as a standalone.

It's a summer fling; just keep telling yourself that and you'll be alright. This thing with Mason Pierce, it's just a fling, something fun to pass the time. He's a rebound from the disastrous breakup, a band-aid, a patch over a wound that will help the hurt heal, right? ~Red

If someone had told me two months ago that I'd be spending the summer with Red Summers in my arms, I'd have called them crazy, but here I am and here she is. Life is just about as perfect as it can be. Except, it feels like she's pulling away instead of drawing closer. Everyday, it seems that Red is putting more and more distance between us, and I don't understand why. ~Mason

Absolutely a stunner of a book!!!!

By Amers

Independent reviewer for Archaeolibrarian I Dig Good Books.

5/5 (Exceptional)

I received a copy of this book from the author in exchange for a fair and honest review.

Ahh, okay, I must address this first, this book ends with one HECK of a cliff hanger. S.J. Sawyer, what are you doing to your readers?!?!?! *sigh* Okay, so the book was incredible, absolutely fun, sweet, sexy in places, and then BOOM! Get book four ready before you read book three. You'll thank me!

As you probably already know, this is just a continuation of the first two books, getting us closer to the end of the summer and the start of the school year. Mason and Red are continuing with their relationship and figuring out their developing and blooming feelings. They are trying to figure out if there is more to them than just hot and heavy lust. It's a must read. One thing I must say is "Salt the pickles?!" You'll understand once you read the story. It's a cute and funny little blip between the two.

This book expands on more than just Red and Mason though, which I loved. You learn more about the girls, their friendships, and a bit of history about them. You get a glimpse into the craziness that occurs between the four girls when they are alone, like the best way not to open a wine bottle when you don't have a corkscrew.

I enjoyed the path the author took with this story and the expansion upon the girls in the story. It kind of refresh the story a bit and kept it from getting "too" drawn out between Mason and Red. It answered lingering questions that were floating around. It also showed the bond between the other characters. Great job S.J.

I can't wait to get my hands on book four. It's an absolute must and until I do I might just be a *bit* upset with the author. Such a great series, you must read it!!!

Phenomenal! Can't wait for the next one!

By Lynn

S.J. did it again. Every time she manages to amaze me. Fix Your Makeup definitely didn't let me down. It had it all. Laughs. Love. Sex. From the start you are pulled in with the humor and complete realness of the characters. You can completely relate to one or more of them. Mason is one of my favorite book boyfriends with his sweet southern charm and I'm jealous of Red on a regular basis. Mary Lou is up to even more shenanigans which has me laughing the entire time.

Lots of major information is revealed in this book that puts their friendships and relationships to the test. Can they survive all that is thrown their way? You'll have to read to find out. I for one am counting down the days until Say a Prayer for the great finale of this serial.

Quotes :

"If anyone has the lady balls to do it, it'll be Mary Lou."

"Seems like sleeping with people's sisters is a common occurrence around here."

"Hell, I may have loved you before that, but I don't remember. I've only ever wanted you, Red. I'm never going to want anyone else. Just you."

"It's only ever been you, Red."

"What good are words? It's actions that count, and when your actions suck, your words can't make it any better."

Loved this Book!!!

By Amazon Customer

Oh sweet baby Jesus, this book is 5 freaking stars!! I love this series so hard, it's quickly becoming one of my all time favorite's. If you love books that will have you laughing your a\$\$ off one page and crying the next and then throw in some hot scenes then this is definitely a series for you! I think that Ms.Sawyer could write a dozen of these books and I would read them.

This book continues from the others. Red and Mason are still continues their "summer fling" and learning different things from the past. And of course we have the crazy best friend Mary Lou, who needs her own book!! I don't want to give to much away because if you haven't read this series you definitely need to get on that and if you have oh lordy be prepared this book is going wreck you! The way this book is written is so good it keeps drawing you in. I finished this book in one sitting, I just couldn't put it down! I definitely

recommend this series!
