A great read

By S J

After purchasing this book a few days ago I thought it was time to leave a review, this book is fantastic to further understand and strengthen your connection with God, I have been referring to it on a daily basis for the God Devotional and will continue to do so.

I personally look forward to further releases by Woeger.

Insightful

By Skylar Greenstreet

Robert Woeger opens with powerful quotes about how we are nothing compared to the might and majesty of the Lord, which from the start helped me understand much about how God should work within my life. I have been a Christian since childhood, but yet I was impressed to find unique perspectives about the faith that I had not previously even considered, which has helped to strengthen my belief even further. What I think makes the book even more useful is the clear and concise nature of the explanations which will do much to aide even those who are new to the faith.

Woeger then guides you through a variety of different topics which include Reverence, Virtue, Consecration and many others which altogether help to give you a much more holistic understanding of the nature of God and his place within all our lives. Throughout the book there are many quotations from scripture and I found it helpful to look up particularly interesting insights in the Bible in order to learn more about them. This helped increase my knowledge and understanding further as I could find particularly interesting quotes without having to spend too long searching.

I have already recommended the book to a friend who is a devout Christian and I look forward to reading more of the chapters and deepening my understanding of the Lord our God.

Illuminating!

By Deeee

A solid, practical and highly accessible book devoted to helping you connect deeper with God. It is well written, to the point and concise. This book is for keeping and one you can constantly refer to when you feel down, spiritually or otherwise. Good.
