Written by #1 bestselling author of How to ACE Your A-levels, Raja outlines how to achieve top grades at GCSE. Written from a student's perspective, How to ACE Your GCSEs provides highly relatable, honest and straightforward guidance on how to achieve As and A*s.

Raja gives the keys to his tried and tested 3 step plan:

- Step 1 – Method. Find out what top students do to secure top marks in exams.

- Step 3 – Motivation. Increase your attention span through simple and effective tricks. Understand the damaging insecurities that hold you back from reaching your maximum potential and tackle them head on.

Read this book and arm yourself with techniques that will help you ACE your GCSEs and every other exam you may take during the rest of your life.

Without my GCSE grades, I wouldn't have got into Medicine. Without this book, I wouldn't have achieved 8A*s. Don't think - just read it!

- Helen Mathews (8A*s & 1A)

I reluctantly read this book because my parents forced me to, but I'm so glad they did! It felt like the author reached into my brain and completely rewired it!

- Steven Davy (9A*s & 2As)
