0 of 4 people found the following review helpful.

Good deal for the price I paid.

By Kenny Madden

This book was not in the best condition, but it was a good deal for the price I paid for it. My biggest complaints are that I had to buy a used copy because the book is out of print and I accidentally ordered the wrong edition. Neither of these things were the fault of Amazon or the company that sold the book through Amazon. I would definitely order from this company again.
