Awesome!

By Jackie Clements

I love to read books with romance and mystery! I couldn't put the books down until I finished both of them! Kudos!

Absolute satisfaction!

By Vickie Butler

As soon as I finished "Over You" I went in search of this sequel "Second Chances". This book has it all...mystery, drama, conflict, love, family...characters to root for and characters you'd like to slap (did I say that?)...and the ending leaves you happy. I so appreciate an author who can write a good story without stooping to gratuitous sex for titillation...and whose characters can talk to each other without throwing in foul language. I wish more writers would take a lesson from Christine's dedication to clean writing, BRAVO!

LOVED IT!!!

By Kris Bird

I honestly loved this book! Definitely a 5 star for me. I first read "Over You" and couldn't wait for this one to come out. I found this book suspenseful at times, and romantic at other times. Loved the story line and the events that kept me reading page after page. I would highly recommend this book to anyone looking for a good book to read. This author has many other books that I have enjoyed and have been very satisfied with each one.
