SEXY LOVE (SEXY SERIES BOOK 4) BY DANI LOVELL PDF

Alexia Berkeley is a strong, powerful and independent woman who doesn't need a man for anything. Well – other than a little light relief here and there, of course.

Sebastian Love has always flirted with her but other than the fine, professional businessman he manages to be when necessary, she knows what he's like socially; a perverse, lecherous roué with nothing on his mind but female genitalia. Nothing could be further from her 'type', than him.

Could Alexia Berkeley have gotten Sebastian Love all wrong? She definitely seems to think so after a drink or two whilst letting her hair down with the girls, and his delicious, tattoo covered body certainly takes her into a new realm of naughtiness and desire. Will she abandon her rigid beliefs of decorum and correctness for a lasciviously thrilling lifestyle or will her life-long morals overrule?

Happy tears!!!

By lvthshr

What a lovely (& sexy, of course) ending to this wonderful series!! So happy we got to know Alexia better, as well as (oh, so very HOT) Sebastian; and to see this entire group of friends find their futures! I'm so very sorry to have to say goodbye to them, but I am glad to have had a glimpse into their lives, and I'll sleep well tonight assured that their futures are bright because they have each other to lean on. Thank you Dani for giving me a seat on their journey!

Fitting End

Kudos to Ms. Lovell this book was well worth the wait. I enjoyed the whole Sexy series wish it didn't have to end. The way she started with Alexia and Sebastian story and ended with beautiful wedding of Bea and Dainel. Can't wait to see what she has in store. She has a true fan in me.
