Timeless...for ages 9 and up

By Amazon Customer

"The Bible Smuggler" is a biography about William Tyndale and his work translating the Bible from Latin to English. It is written for ages 9 and up. The story is told from the perspective of Tyndale's young assistant, Colin and carries the reader emotionally as the young boy grows in his respect and admiration for Tyndale. Although the reader may already know the outcome of William Tyndale's story, it can still have a powerful impact. (When I finished the book there were a few tears in my eyes). Ours is a better world for people such as William Tyndale.

One of the many reasons I think "The Bible Smuggler" is a great read is that while it was written in the late 1960's, it remains relevant. People still fear what they don't know, dislike and even fear change (for the most part), those who are in control like to maintain control and more importantly, we never know how long we will continue to have the freedoms we have today.

Four Stars

By Amazon Customer

A little slow at times

4 of 4 people found the following review helpful.

I bought for my son but I loved it!!

By Didi

This was a great book that I learned a lot from. I bought this book for my son and thought I would take a look at it before he read it - just to make sure it was appropriate for his age etc. It [...]me in and a few hours later I was done with it. Of course that perked up his interest and he wants to read it. A good book that even keeps an adult interested. I would and will highly reccommend to others.
