Review

“Read Agatha Christie’s books once again and catch glimpses of that most elusive, most reclusive author. Read for her heart—it’s there to find.” (Carolyn Hart, Agatha Award-winning author of the *Death on Demand* mysteries)

“The cleverest murder mystery of the British theater.” (Daily Telegraph (London) on *The Mousetrap*)

From the Back Cover

On an isolated island, ten people have been brought together to be killed off. An evil old woman has a rendezvous with death in the desert heat of Jerusalem. A scheming wife testifies against her husband in a shocking murder trial. And a homicidal maniac terrorizes a group of snowbound guests to the refrain of "Three Blind Mice."

This collection of eight works shows how Agatha Christie's plays are as compulsive as her novels, with their colorful characters and ingenious plots providing yet more evidence of her mastery of the detective thriller.

The Queen of Mystery has come to Harper Collins! Agatha Christie, the acknowledged mistress of suspense—creator of indomitable sleuth Miss Marple, meticulous Belgian detective Hercule Poirot, and so many other unforgettable characters—brings her entire oeuvre of ingenious whodunits, locked room mysteries, and perplexing puzzles to William Morrow Paperbacks. In addition, Christie created magnificent works of suspense for the theater, and eight of her riveting stage dramas are collected in *The Mousetrap and Other Plays*—including the title piece, the longest running play in history, still a smash hit in London's West End after 60 years!

Classic Christie read for anyone who just knows her books!

By Dana Putnam

This collection has been released before and always enjoyed it. The reason I purchased a new edition was because I was hoping for two things. On the plus side, I am grateful for a larger and easier opening book. My old copy was very compact and falling to bits. On the negative side, I was hoping this edition might have been updated to include her plays which Christie never got round to novelizing but were eventually by another author ("Black Coffee", "Spider's Web, and "The Unexpected Guest"). I would like to read the original plays someday, but at least this book will suffice in the meantime

satisfying

By C. S. Garcia

Very satisfying to see how Agatha Christie adapted some of her stories to the stage. The directions were so clear, I could see the play in my mind.

Always wonderful

By Bookelf

I had not read a few of these. Appointment with Death and the Hollow were excellent. These were new to me but you could see the influence on crime writers.
