Beautifully illustrated children's book...

By Michele Funke

I received a complimentary copy of the book from the author for the purpose of review. The review is my honest opinion and I was not paid for this service.

Zebra is a beautifully illustrated, easy-to-read children's book. It's a cute story about a lonely Zebra who wanted someone like himself to love and to love him. The pictures are certainly eye-capturing and the words are simple enough for a new reader to be able to read the book for themselves. Karen Hart did an wonderful job illustrating the book to correspond with the story at the appropriate times. This is a story than many children will enjoy.
